| 2. The Central Railway, Bombay | |
| 3. The Southern Railway, Madras | |

Whereas the applicant above named has made a complaint that the existing classification for cast iron pipes in wagon loads is unreasonable, that the non-application of any one of the standard telescopic wagon load scales for cast iron pipes subject the traffic in cast iron pipes to undue and unreasonable prejudice and disadvantage and that the continuance of the station-to-station rates for cast iron pipes to Bombay and Madras from Bhadravati is causing serious injury, to the Applicant's trade in the Bombay and Madras markets since the cancellation of the station-to-station rates to Bombay and Madras from Bisco, and has prayed that WL/F standard telescopic wagon-load scale be applied to cast iron pipes and that the former station-to-station rates or such other station-to-station rates as may seem to constitute sufficient relief be introduced to Bombay and Madras;

And whereas it is thought that there are numerous persons who are not on record but have the same interest in the proceedings as the applicant or respondents above named;

This public notice is, therefore, given under Rule 17 of the Railway Rates Tribunal Rules, 1949, so that any person who so desires may petition to the Tribunal for leave to intervene or be added on the side of the applicant or the respondents in the said case, prior to, or at the time it is called for hearing, setting forth the grounds for the application and the position and the interest of the petitioner in the proceedings.

To any decision given by the Tribunal after this Public Notice, explanation (vi) to Section 11 of the Code of Civil Procedure, 1908, shall apply.

Given under my hand and the seal of the Tribunal, this 27th day of August, 1952, at "Adyar House", Adyar, Madras.
